## **A. Property Description**

**Greenburg Oaks Apartments (Tax account # R-276472), 11895 SW 91<sup>st</sup> Avenue**, is just off Greenburg Road, near Pacific Highway. The site sits on 3.01 acres and consists of 84 units in four buildings: 12 one-bedroom/one-bath 564 square foot units, 60 two-bedroom/one-bath 839 square foot units, and 12 three-bedroom/one-bath 1,007 square foot units. In 1998, CPAH added the now much used Community Center to the complex. The Community Center houses a computer center, library, multipurpose room and property management office. In 2005/2006, CPAH completed a \$3.5 million dollar rehabilitation of the apartment interiors, building exteriors and project site. Highlights of the rehab included: replacing all building siding and windows, re-configuring and repaving the parking lot, replacing all landscaping, upgrading the recreation facilities, upgrading site lighting and signage. Interior work included replacing all waterlines and drains, replacing all cabinets, countertops, light fixtures and most appliances (refrigerators, dishwashers, hot water heaters) with Energy Star rated devices, replacing all window coverings and many carpets, re-texturing and repainting all apartment interiors. The rehab project featured energy saving appliances, compact fluorescent light fixtures, better insulation, and low volume plumbing fixtures, all of which have reduced tenant energy costs.

The rehab work was done without displacing any tenants and with very minimal rent increases. As a testament to the quality of the rehab work, vacancies generally average under 5%, accounts payable are current and annual cash flow is positive.

Financing for the project came from a number of public and private grants and low income housing tax credit investments. No new debt was taken on. Approximately \$10,000 of the funding was provided by the City of Tigard Affordable Housing Fee Assistance program. Other funding came from the Meyer Memorial Trust, the Paul Allen Foundation, the Oregon Community Foundation, Washington County Office of Community Development through the CDBG and HOME investment programs, and the State of Oregon. Key Bank increased its investment by over \$2 million dollars.

**Legal Description:** The site is located in the southeast  $\frac{1}{4}$  of Section 35, Township 1 South, Range 1 West (Willamette Meridian).

**Tax Lot:** The Washington County Map shows the site as tax lot 23-74-2000, Parcels I, II, and III.

## **B. Project's Charitable Purpose**

**The mission of Community Partners for Affordable Housing, Inc. (CPAH) is to promote a healthy community through the development of: permanent affordable housing, sustainable economic growth, and community-based partnerships.**

CPAH's acquisition and renovation of the complex has ensured that the previously neglected property is professionally managed as safe, decent, and affordable housing for families with a shrinking number of housing options. Our property has significantly reduced the housing burdens of our families. The efficient delivery of our services has improved the health and prospects of all household members, and served to help break the multi-generational cycles of poverty. CPAH's

commitment to 40 years of affordability for those at 50 and 60% of median income guarantees that these apartments will be affordable effectively for the life of the buildings.

CPAH maintains active partnerships with the Tigard Police Department, Tualatin Valley Fire & Rescue, Tigard Libraries, and the Tigard School District to enhance the safety and quality of life for residents and to be sure that our programs are well-coordinated with other community resources. Partnerships with Community Action, Good Neighbor Center, Luke-Dorf, HopeSpring, Neighborhood House, Lifeworks NW and other organizations to provide information and referral as well as emergency services like food boxes and rent and utility assistance. Coordination agreements with these agencies enhances ongoing case management and has provided a fresh start to many families facing significant barriers to moving from homelessness to permanent housing. Several families each year are being reunited with their children as a result of receiving a housing opportunity at Greenburg Oaks. Three of the apartments are reserved for low income families with at least one member in active recovery from alcohol or drug addiction.

The Community Center at Greenburg Oaks is the focal point for support, skill building, and community building activities offered by CPAH through its resident services program which includes after-school and summer youth programs. CPAH's on-site computer learning center is used by youth for homework, research, e-mail, and educational games; and by adults for job search activities and Internet access. The Tigard Library has twice obtained grant resources to purchase children's material for our on-site library.

CPAH offers a variety of adult services as well. These include classes in support of parenting skills, budgeting and other financial literacy skills, and nutritional shopping and cooking. The Community Center is also host to a number of general community activities including rent readiness courses, HopeSpring parenting classes, financial literacy classes, parenting safety skills and budget and nutrition classes. The Community Center hosts weekly meetings for AA, NA, and Alanon groups. Food distributions are also held in the Community Center for both the residents at Greenburg Oaks and others in the Tigard community.

### **C. Certification of Resident Income Levels**

Resident income levels are verified upon application for tenancy and are recertified each year. CPAH has covenants with the state and with Washington County to use the property exclusively for low income rentals for a period of at least 40 years. These covenants require that all households have earnings at or below 60% of the area median income. Some units are restricted to households earning at or below 50%. Compliance with these covenants is monitored by the State of Oregon Department of Housing and Community Services and by the Washington County Office of Community Development. We certify that all apartments in this property are targeted to and remain affordable to households earning at or below 60% of the Area Median Income.

### **D. How Tax Exemption Will Benefit Residents**

100% of the property tax exemption is a direct subsidy for the residents. Every dollar reduction in operating costs is passed on as a reduction in the scheduled rents. Some costs, such as the cost of operating our youth programs, must be funded from outside sources mostly through fund raising. Without property tax abatement, we would have to shift some of our fundraising efforts from developing sources for these programs and use them instead to cover basic operations.

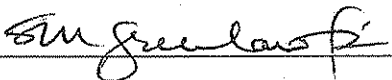

It can be argued that using property tax revenues to subsidize well managed affordable housing units results in a net savings of public resources. Fewer and less-severe police calls, healthier students, and stably housed social service consumers, all provide a direct reduction in the demand for government funded services.

#### **E. Tax Exempt Status**

CPAH is general partner of the Villa La Paz Limited Partnership, a single asset entity established for the purpose of acquiring the apartments and qualifying for low-income housing tax credits. CPAH's IRS Determination Letter is attached. CPAH undergoes a full independent audit of its books annually, as does Villa La Paz, LP. Both the State of Oregon Housing and Community Services Department and the U.S. Department of Housing and Urban Development review the project and resident files annually.

#### **F. Verification of Information**

I hereby certify that the information in this application for tax abatement is accurate and complete to the best of my knowledge. Income Property Management Company performs day-to-day management of the property and is responsible for certifying income levels of each resident for compliance with program guidelines.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

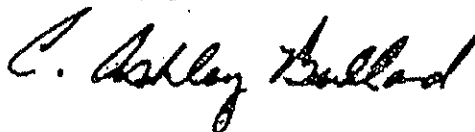

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,
